## Range Safety Rules

(as of 1/15/2017)

RSO = Range Safety Officer

Rules are NOT in order of importance

1. **WE RESERVE THE RIGHT TO DENY SERVICE TO ANYONE, AT ANY TIME, FOR ANY REASON.**
2. **All Shooters are expected to know, adhere to, and help enforce range rules. If you observe a violation of the range rules, please bring it to the attention of any staff member and we will take corrective action. All Range Safety Rules MUST be complied with unless you receive express permission to deviate by RGR staff.**
3. **ALL RGR EMPLOYEES HAVE UNQUESTIONABLE AUTHORITY REGARDING THE OPERATIONS AND RULES OF THE RANGE AND THE SHOOTING FACILITY. If you disagree with a command or decision, exit the range and request a supervisor to review.**
4. **NO STEEL JACKET, STEEL CORE, TRACER, ARMOR PIERCING, OR INCENDIARY BULLETS ALLOWED. NO NON-FACTORY RELOADS/HANDLOADS. NO MUZZLE-LOADED FIREARMS. SHOTGUN IS LIMITED TO 00 BUCKSHOT AND SLUGS.**
5. **All Federal, State and Local firearm laws must be obeyed.**
6. **Everyone must be informed of, and follow basic gun safety rules.**
  - **ALWAYS Keep the Gun Pointed in a Safe Direction.**
  - **ALWAYS Keep your Finger OFF the Trigger Until Ready to Shoot.**
  - **ALWAYS Keep the Gun Unloaded Until Ready to Shoot.**
  - **Know your Target and What is Beyond.**
  - **Be Sure the Gun is Safe to Operate.**
  - **Know How to Use the Gun Safely.**
  - **Use Only The Correct Ammunition for your Gun.**
  - **Wear Ear and Eye Protection.**
  - **Never Use Alcohol or Drugs Before or While you are Shooting.**
7. **NO food or beverages are allowed in the live fire ranges.**
8. **Chewing tobacco, snuff, smoking, any other tobacco products, or E-Cigarettes are strictly prohibited from use in the facility.**
9. **Person(s) suspected of being under the influence of alcohol, Marijuana or any other intoxicating substance, will not be allowed in the range. Prescription drugs are also prohibited. Persons smelling of any of the above or appearing intoxicated or impaired will be required to leave the facility.**
10. **RSOs, Range Staff, and RGR Employees have the right to inspect all firearms, ammunition and equipment.**
11. **All firearms entering or leaving the range must be UNLOADED & IN A CASE, unless it is holstered. No uncased or un-holstered firearms may enter or leave the RGR facility.**
12. **(RSO's on duty are in direct charge of the range and all participants at all times. The RSO may immediately ban from the range any person for inappropriate behavior including, handling a firearm in an unsafe or careless manner. The RSO may also void memberships should such conduct warrant it.**
13. **Commands issued by the range staff must be followed immediately. Refer to RGR Range Commands (attached.)**
14. **In case of Emergency and/or power outage, treat the situation as if a STOP command has been given. Then wait for further instructions.**
15. **If you intend to do bodily harm to yourself or others you are not permitted on the range.**
16. **We highly recommend you wash your hands and face with cold water immediately after shooting your firearm. Sinks are available in the restrooms. Lead wipes are also available for purchase at the Range Desk.**
17. **If you sustain an injury, do not treat it in the range. Ask for assistance, cover the injury, and leave the shooting range (if possible) to treat the injury. If you do sustain an injury, whether major or minor, inform the RGR staff.**

18. Any person with a medical disorder or a disability which may pose a hazard or potential hazard, (including but not limited to Parkinson's, epilepsy, hearing impairment, etc.) must notify the RSO prior to entering the range
19. Pregnancy - Health officials advise that pregnant women limit their exposure to Lead. While RGR will not prohibit pregnant shooters, we take no responsibility, nor liability for resulting injuries or complications. Please consult your physician.
20. Do Not handle Firearms unless on the firing line, or directly accompanied by RGR staff. Do not handle your firearms anywhere else, including (but not limited to) the sales floor, classroom, special events room, digital simulator room, reality based training room or bathrooms
21. Do not open the doors to or from the range if the red Unavailable Do Not Enter sign is showing. When on the range, eye and ear protection must be worn AT ALL TIMES. Place hearing protection on BEFORE entering the first door to the range. If you do not have eye/ear protection, it may be purchased or rented.
22. Only RGR provided ammunition is to be used in rental firearms. Ammunition purchase is required each day a firearm is rented.
23. Proper dress is required.
24. Use only the correct ammunition for your firearm. It is your responsibility to be sure your firearm is safe to operate and to know how to use and operate it safely. If you have a question, or feel unsafe or unsure AT ANY TIME, ask for the assistance of a RSO or instructor.
25. Drawing from a holster and firing is allowed when approved by a RSO on duty. DRAWING FROM CONCEALMENT IS NOT ALLOWED.
26. No shooting at objects on the floor, walls, or ceiling.
27. Always keep firearms pointed downrange at all times and NEVER HIGHER THAN THE TARGET.
28. Un-aimed or uncontrolled fire is strictly prohibited. All shots must be fired at approved targets. You are financially responsible for any damage that you cause to the facility. Firing a shot that results in damage to any range equipment may result in a "repair fine" and/or removal from the range.
29. Shoot only at YOUR OWN TARGET – NO CROSS-LANE FIRING
30. TARGETS – All shooters must use RGR approved targets
31. SLIDE-FIRE STOCKS are allowed at the discretion of a RSO and a showing of proficiency is required.
32. Two people maximum allowed per lane. Only one person may fire from a shooting booth at a time. The other party may stand behind and act as a non-professional "coach." No Professional Outside Instruction without management approval.
33. Do not exchange firearms with another booth; switch shooters, not firearms.
34. Firearms, Magazines, and Ammunition may only be handled in shooting booths. Magazines may be filled at back wall if NO Firearms are present.
35. DO NOT BRING A MALFUNCTIONING FIREARM OFF THE RANGE. If there is a problem, lay the firearm on the bench, with the muzzle pointed down range, and notify the staff by raising your non-gun hand to request assistance.
36. DO NOT cross the firing line or proceed in front of the barriers, unless on the tactical bay AND ONLY as directed by the instructor.
37. Brass that falls to the ground may NOT be retrieved at any time. RSOs will push brass forward or remove as needed. You can keep brass that is safely caught prior to touching the ground.
38. Be courteous and aware of other shooters around you.
39. FIREARMS MAY ONLY BE HANDLED IN DESIGNATED SHOOTING AREAS OR WHEN ASSISTED BY RGR STAFF. No handling of firearms outside the range is allowed, unless assisted by RGR staff.
40. MINORS (under the age of 18,) must be accompanied by their parent, legal guardian, or designated adult who must sign a separate Minor Waiver Form.
41. Changes may be made periodically to the Range Safety Rules and other RGR procedures. It is the shooter or member's responsibility to review the updated Rules and abide by all changes.
42. RGR is not responsible for any lost or stolen items, including any equipment or other personal item(s) left unattended in the shooting range.
43. Please fold discarded targets flat prior to disposing in trash cans.

**Thanks for helping us keep everyone safe!**

## Range Commands

### Standard Operating Procedures

(As of 1/15/2017)

These commands are used during normal PUBLIC operating conditions and may be given by, RSOs (Range Safety Officers) , Instructors, and CRSO (Chief Range Safety Officer).

These commands will be posted throughout the facility and each shooter is required to initial that they have read and understand these commands.

- **“Stop”** – is announced by the RSO, Instructor, or anyone that sees an unsafe act about to be performed. Shooters are to remain in position and NOT MOVE until given further instructions.
- **“Cease Fire”**- is announced by the RSO, or Instructor at any time to ensure the firing line is clear. Shooters are to remain in their assigned position and await further instructions.
- **Unload”** – Directs shooters to unload the gun.
- **“Show Clear”** – Requires the shooter to show that their gun is clear of all ammunition. The shooter unloads the gun and opens the action for inspection by a second person, who confirms the gun is unloaded.
- **“As You Were”** – Means to disregard the command just given.
- **“Carry on”** – Means to proceed with whatever was being done before some interruption occurred.
- **“Load”** – Means shooters are allowed to load cartridges and prepare for the shooting event.
- **“Make Ready”** – Shooters can work the actions to chamber cartridges for the shooting event.
- **“Commence Firing”, “Fire”** – Shooters can Fire.
- **“The Line is Clear”** – command given Upon Verifying that all guns are unloaded.
- **“Move to Ready Line”** – Command given to move shooters back off the firing line. Shooters will leave guns on the bench.
- **“Ready on the Right” ... “Ready on the Left” ... “The Line is Ready”**- Announced after a difficulty has been corrected.
- **“Misfire”** – is announced by a shooter to inform the RSO and other shooter that a gun has failed to fire and a hazardous condition may exist. Due to the possibility of a hang fire, the shooter keeps the gun pointed down range for 30 seconds.
